The Gold Medalist Test Jacket Scholarship is for any SSC Home Club Member that passes a Gold test. Must be a Home Club member of the SSC for AT LEAST one (1) calendar year.

SSC Competition Scholarship for SSC Home Club Member Skaters Representing the Club at National USFSA events and Sectional events:

Purpose: To provide a small financial incentive to home club members who achieve certain levels of competition. Monies are to be used at the skaters' and/or their parents' discretion, but ideally will help offset the cost of expenses related to the competition.

Eligibility:

- \$50 **Adult Nationals** (open events only)
National Showcase (competing in events at skater's level only)
Collegiate Nationals (individual, not conference)
Regionals skater qualifies for final round in a qualifying event where initial rounds are held
- \$150 **National Showcase** skater qualifies for at least one individual Parade of Champions event
National Solo Dance
Adult Nationals skater competes in Championship Event
Skater qualifies for Midwest Sectionals
- \$300 **U.S. Nationals individual**
- Skaters will earn awards for every eligible competition they compete in during a given season (for example, if a skater competes at National Solo Dance and also qualifies for Midwest Sectionals, they will receive awards for both competitions, or a total of \$300.00).
- For competitions where one skater may compete multiple events at a single competition, the skater will receive only one award, and it will be the highest amount for which they are eligible. (For example, if a skater competes in two events at National Showcase and qualifies for Parade of Champions in one of them, they will receive the higher amount. Same with a skater who competes multiple events at Adult Nationals, and one of them is a championship event.)
- For skaters competing in pairs, ice dancing, or in a duet event only at National Showcase, half of the award will be given to each skater who is a SSC home club member.
- This applies to all competitions for the current season.
- **In order to receive the awards, skaters must submit the attached application, along with a hard copy of their ordinals, to the Strongsville Skating Club Treasurer upon their return from the competition. Skater has sixty (60) days to apply for the scholarship after returning. It is the responsibility of the skater to submit the form; the SSC board will not seek and track down skaters who are eligible.**
 - **Skater must be a home club member in good standing (i.e. current membership and skating account paid in full at the time of submission.)**
 - **Award will be distributed in the form of a paper check. For bookkeeping purposes, awards cannot be distributed in the form of account credits.**
